

# WHO IS SRQ VETS?

SRQ Vets is a Sarasota-based 501(c)(3) nonprofit founded and led by veterans, for veterans. Born out of a real need, we exist to show up when it matters—without red tape or runaround.

We show up like a battle buddy, not a system. We lead with trust, respect, and human connection, treating veterans as teammates, not case numbers. Our approach is personal, responsive, and mission-driven, so veterans feel understood, supported, and never alone.

By helping meet immediate needs, veterans can focus on their families, their futures, and living full, quality lives—strengthening the community and empowering them to give back.
